Namesake

Peg's Foundation is named for our founder, Peg Morgan. Her formal name was Margaret Clark Morgan but she known by her friends and community as Peg. When recognizing us at an event, in social media or print, acknowledge us as Peg's Foundation. Do not use "the" before our name, Peg's Foundation.

Peg Morgan

Our Mission

To improve the lives of people with serious mental illness.

Our Approach

We do this by accelerating innovative projects and leveraging partnerships for system change in Ohio and the Nation.

Our Vision

We envision a world where all regard mental wellness as an integral part of a healthy life and where recovery from mental illness is the expectation.

Our Core Values

We believe and practice:

- Faithfulness to the intent of our founder, Peg Morgan
- Innovation, collaboration, and leadership
- Compassionate, respectful, open communication
- Efficient, effective stewardship and management
- Building and sharing knowledge
- Dignity of every person

Positioning Statement

The public addresses behavioral health with outdated terms, and continuing stigma, lack of creativity, and low funding levels stall progress. Building a stronger, effective, compassionate and inclusive health care system for the mentally ill is essential.

Individuals affected by mental illness are not defined by their disease. Collaborate to remove barriers to care and treatment while listening to their words, “nothing about me without me.” Understand their journey to restore dignity and respect. Recovery from mental illness is the expectation and mental wellness is integral to a healthy life.

Philanthropy has a unique, untapped potential to deliver relevant and disruptive ideas to behavioral health delivery systems. The promotion by implementation of evidence-based practices can create immediate opportunities to improve the lives of the seriously mentally ill and their families.

Leadership in the behavioral health space is critical to improving the lives of the seriously mentally ill. Engaging good leaders and accelerating the sharing of knowledge leverages our smaller endowment to be bold and impactful.

Peg cared, we care.

Peg enabled us to make a difference.

Peg inspired us to think bigger.

The pattern should be scaled to match the size of the icon used on the corresponding logo.

When the pattern is used on double sided printed pieces, the red icon should be located similarly on both sides (e.g., top left corner front and top left corner back).
